English

Caution

- Before you begin: Lay out all parts on a clean surface to check if the tags and numbers are correct.
- Please use the screws correctly, otherwise you might damage the desk panel.
- Don't screw tightly before all the screws are put into the corresponding holes.
- Please make sure the product has been installed correctly and read the instructions before using the product.
- Do not use corrosive or abrasive materials to clean this product.
- The company does not bear any warranty or liability for damage and human injury caused by any abnormal or un-intended operation of the equipment.

Français

Attention

- Avant de commencer l'installation, disposez toutes les pièces sur une surface propre pour vérifier si les étiquettes et les numéros correspondent.
- Veuillez utiliser correctement les vis. Sinon, le plateau de la table pourrait être endommagé.
- Toutes les vis ne doivent pas être vissées trop fermement avant d'être placées dans les trous correspondants.
- Veuillez vous assurer que le produit a été installé correctement et lire attentivement les instructions avant d'utiliser le produit.
- N'utilisez pas de matériaux corrosifs ou abrasifs pour nettoyer ce produit.
- La société n'assume aucune garantie ou responsabilité pour les dommages et les blessures humaines causés par un fonctionnement anormal ou involontaire de l'équipement.

Italiano

Attenzione

- Prima di iniziare l'assemblaggio, disporre tutti i componenti su una superficie pulita per verificare che le marcature e i numeri corrispondano.
- Utilizzare correttamente le viti. In caso contrario, il piano del tavolo potrebbe subire dei danni.
- Tutte le viti non devono essere serrate eccessivamente prima di inserirle negli appositi fori.
- Assicurarsi che il prodotto sia stato assemblato correttamente e leggere attentamente le istruzioni prima di utilizzarlo.
- Non utilizzare materiali corrosivi o abrasivi per pulire il prodotto.
- L'azienda non garantisce né si assume la responsabilità per eventuali danni o lesioni causati da un funzionamento anormale o involontario del prodotto.

Deutsch

Vorsicht

- Bevor Sie mit dem Aufbau beginnen, legen Sie alle Teile auf einer sauberen Oberfläche aus, um zu prüfen, ob die Kennzeichnungen und Nummern übereinstimmen.
- Bitte verwenden Sie die Schrauben richtig. Andernfalls könnte die Tischplatte beschädigt werden.
- Alle Schrauben sollten nicht zu fest angezogen werden, bevor sie in die entsprechenden Löcher gesteckt werden.
- Vergewissern Sie sich, dass das Produkt korrekt aufgebaut wurde, und lesen Sie die Anweisungen sorgfältig durch, bevor Sie das Produkt verwenden.
- Verwenden Sie keine ätzenden oder scheuernden Materialien zur Reinigung dieses Produkts.
- Das Unternehmen übernimmt keine Garantie oder Haftung für Schäden und Verletzungen, die durch einen abnormalen oder unbeabsichtigten Betrieb des Geräts verursacht werden.

Español

Precaución

- Antes de comenzar la instalación, extienda todas las piezas sobre una superficie limpia para comprobar si las etiquetas y los números se corresponden.
- Por favor, utilice correctamente los tornillos. De lo contrario, el tablero de la mesa podría resultar dañado.
- Todos los tornillos no deben atornillarse con demasiada fuerza antes de introducirlos en los agujeros correspondientes.
- Por favor, asegúrese de que el producto ha sido instalado correctamente y lea atentamente las instrucciones antes de utilizarlo.
- No utilice materiales corrosivos o abrasivos para limpiar este producto.
- La empresa no garantiza ni se responsabiliza de los daños y perjuicios causados por un funcionamiento anormal del producto o se causado accidentalmente por el producto.

32

Note: This manual only contains instructions for tabletop installation.
To complete the full desk setup, please refer to the separate manual for the frame installation.

33

Note: When installing the frame, prioritize the holes on the table top and side wings.

To allow for left or right return, the desktop is pre-drilled with multiple holes. Please refer to the diagram for the correct hole locations during installation to avoid errors or rework.

34

TEAM LIFT

WARNING. Danger of injury.
We recommend two to three
people to complete the
flipping of the desk.
